IVICA DUCIC, MD, PhD

OFFICE ADRESS:

Main (corresponding):
Washington Nerve Institute
7601 Lewinsville Road, Suite 300
McLean, Virginia 22102

Phone: (703) 992-9233
Fax: (703) 992-8675
e-mail: dr.ducic@gmail.com
web: www.DucicMD.com

Other, US:
Axogen
111 West Oak Ave., 5th Floor
Tampa, Florida 33602

Other, EU:
MarinMed Clinic
Ante Starcevica 45
20000 Dubrovnik, Croatia, EU

EXPERIENCE Summary:

EXECUTIVE/CORPORATE:
Chief Medical Officer, Axogen (2017-present)

PRIVATE PRACTICE:
Washington Nerve Institute (2014-present)

LEADERSHIP:
President, American Society for Peripheral Nerve (2011-2012)

ACADEMIC/HOSPITAL:
Clinical Professor of Surgery, George Washington University (2014-present)
Professor, Plastic Surgery & Neurosurgery, Georgetown University (2003-2014)

RESEARCH/PHARMA:
Dept of Pharmacology & Surgery, Georgetown University (1991-1996)
Neuroscience Division, Hoffmann-La Roche, Switzerland (1989, 1990)

PUBLICATIONS & LECTURES Summary:

Meeting Abstracts & Presentations:	**113**	Instructional Courses/Labs:	**109**
Publications/Research:	**107**	Book / Book Chapters:	**17**
Visiting Professor/Invited Lectures:	**326**	Media Interviews & Reports:	**36**

EDUCATION Summary:

Doctor of Medicine: School of Medicine, University of Zagreb, Croatia, 1986-1991

Doctor of Philosophy: School of Medicine, University of Zagreb, Croatia, 1991-1994

Plastic Surgery Residency: Georgetown University, Washington, DC, 1996-2002

Nerve Surgery Fellowship: Nerve Institute, Baltimore, MD, 2002-2003

Board Certification: American Board of Plastic Surgery, 2004-present

PRE-CLINICAL ACTIVITIES

RESEARCH FELLOW

Jul 1 - Oct 1, 1989
Jul 1 - Oct 1, 1990

Pharma Research Department, Hoffmann-La Roche, Basel, Switzerland
Mentors: Erico Pietro Bonetti, MD (Behavior Sciences) and Petar Polc, MD (Electrophysiology)
Project Title: The *in vivo* effect of the benzodiazepine antagonists on activity of benzodiazepines, high frequency stimulation, proconvulsant drugs, and endozepines on GABAergic inhibition in cat spinal cord.

Ph.D. Thesis:

Jul 1,'91 - Sep 24,'94

Title: *"The effect of benzodiazepines and neurosteroides on the activity of different GABA/benzodiazepin receptor subtypes"*

Mentors: Professor Juraj Geber, MD, PhD, Department of Pharmacology School of Medicine, University of Zagreb, Croatia; Professor Petar Polc, MD, Neuroscience Division, Hoffman-La Roche, Basel, Switzerland; and Professor Stefano Vicini, PhD, Department of Physiology, Georgetown, University School of Medicine, Washington, DC

Experimental portion of the PhD Thesis was done at the Georgetown University, Department of Pharmacology (Fidia-Georgetown Institute for the Neurosciences), during post-doctoral fellowship with Drs. Stephano Vicini and Erminio Costa (Jul 1,'91 - Dec 31,'93).

Project Title: Molecular mechanism of action of γ-Aminobutyric Acid (GABA), benzodiazepines and neurosteroids on GABAergic inhibition in native and recombinant $GABA_A$ receptors. The thesis defense date: September 24, 1994; Promotion date: June 9, 1995, University of Zagreb.

RESEARCH ASSOCIATE

Jan 1,'94 - Jun 30,'96

Department of Surgery, Georgetown University Hospital, Washington, DC
Mentors: Richard F. Neville, MD and Martin Morad, PhD
Project Title: a) The electrophysiological characterization of functional properties of ion channels in human atherosclerotic and hyperplasic vascular smooth muscle cells; **b)** The arrhythmogenic modulatory effect of antihistamines or hypokalemia on modulation of K^+ ion channels in rat and guinea pig cardiac myocytes; **c)** The role of prolonged Q-T interval on arrhythmogenesis observed in female patients (Prof. Dr. Martin Morad).

CLINICAL / RESIDENCY

Integrated Program in Plastic Surgery
Georgetown University Hospital (6/1996 – 6/2002)

Jun 24,'96 - Jun 30,'97	Junior Resident (**PGY-1**): Department of Surgery, Georgetown University Hospital, Washington, DC
Jul 1,'97 - Jun 30,'98	Resident (**PGY-2**): Department of Surgery, Georgetown University Hospital, Washington, DC
Jul 1,'98 - Jun 30,'99	Senior Resident (**PGY-3**): Department of Surgery, Georgetown University Hospital, Washington, DC
Jul 1,'99 - June 30,'00	Plastic Surgery Resident (**PGY-4**): Division of Plastic Surgery Georgetown University Hospital, Washington, DC
Jul 1,'00 - June 30,'01	Plastic Surgery Senior Resident (**PGY-5**): Division of Plastic Surgery Georgetown University Hospital, Washington, DC
Jul 1,'01 - June 30,'02	Plastic Surgery Chief Resident (**PGY-6**): Division of Plastic Surgery Georgetown University Hospital, Washington, DC

NERVE SURGERY FELLOWSHIP

Jul 1,'02 - June 30,'03	Institute for Peripheral Nerve Surgery; Baltimore, MD; Mentor**:** A Lee Dellon, MD, FACS

ACADEMIC APPOINTMENTS

November 20, 2014 – present	Professor of Surgery (Clinical) The George Washington University
July 1, 2010 – April 28, 2014	Professor, Plastic Surgery & Neurosurgery, Georgetown University Hospital
Sept 12, 2006 - June 30, 2010	Associate Professor, Department of Plastic Surgery, Georgetown University Hospital
Aug 1 2003 - Sept 11, 2006	Assistant Professor, Department of Plastic Surgery, Georgetown University Hospital

MEDICAL STAFF APPOINTMENTS

Feb 3, 2014 - present	Inova Alexandria Hospital
Feb 2, 2014 - present	MarinMed Clinic, Dubrovnik, EU
May 2, 2016 - present	Inova McLean Amb.Surg.Ctr, VA

EXECUTIVE APPOINTMENTS

Jan 2, 2017 - present	Chief Medical Officer, Axogen

LICENSES

Virginia:	0101219594	(Active, Issued 7/1999)
Maryland:	D0058107	(Inactive, Issued 10/2001)
District of Columbia:	MD 31470	(Inactive, Issued 4/1999)
Croatia (EU)	19680	(Active, Issued 2/2014)

JOURNAL EDITORIAL/REVIEW BOARD (Past)

Plastic and Reconstructive Surgery, Annals of Plastic Surgery, Microsurgery

MEMBERSHIPS

- American Association of Plastic Surgeons (AAPS)
- American Society of Plastic Surgeons (ASPS)
- American Society for Peripheral Nerve (ASPN)
- American Society for Reconstructive Microsurgery (ASRM)
- Northeastern Society of Plastic Surgeons (NESPS)
- National Capital Society of Plastic Surgeons (NCSPS)
- Croatian Society of Plastic, Reconstructive & Aesthetic Surgeons (CSPRAS)
- Association of Extremity Nerve Surgeons (AENS)

GEORGETOWN UNIVERSITY / HOSPITAL COMMITTEES

- Director, Peripheral Nerve Surgery Institute	8/1/2003 – 4/28/2014
- Credentials Committee	7/7/2005 – 4/28/2014
- Risk Management Committee	6/1/2008 – 4/28/2014
- Quality and Safety Executive Council	7/1/2008 – 6/30/2012
- Plastic Surgery Student Clerkship Director	7/1/2005 – 6/30/2011
- Committee on Medical Education	7/1/2006 – 7/30/2009
- Patient Safety Committee	7/1/2005 – 6/30/2008

LANGUAGES

English, Croatian

CITIZENSHIP

USA/EU

PLACE OF BIRTH

CROATIA, EU

NATIONAL COMMITTEES

- President, American Society for Peripheral Nerve; 2011-2012
- President-Elect, American Society for Peripheral Nerve; 2010
- Vice-President, American Society for Peripheral Nerve; 2009
- Secretary, American Society for Peripheral Nerve (ASPN) 2007, 2008
- President, National Capital Society of Plastic Surgeons; 2018
- President-Elect, National Capital Society of Plastic Surgeons; 2017
- Vice-President, National Capital Society of Plastic Surgeons; 2016
- Secretary, National Capital Society of Plastic Surgeons; 2015
- Chair, Nominating Committee, American Society for Peripheral Nerve; 2012
- Chair, Educational Committee, American Society for Peripheral Nerve; 2010
- Nominating Committee, American Society for Peripheral Nerve; 2010, 2013, 2014
- Scientific Program Committee, American Society for Peripheral Nerve; 2010
- Council Member - American Society for Peripheral Nerve; 2006-2009
- Finance Committee Chair - ASPN 2009
- Time and Place Committee - ASPN 2007, 2008; Chair 2012
- Technical Exhibits Committee - ASPN 2005-2007
- Chair, Scientific Program Committee - ASPN 2005
- Program Committee - American Society for Peripheral Nerve 2004
- Membership Committee - ASPN – 2004-2009; Chair 2010
- Newsletter Committee (Associate Editor) – ASPN; 2004-2006

AWARDS-GRANTS

- Outstanding Faculty Teacher, Georgetown University Hospital, 2006
- Outstanding Resident Teacher, Georgetown University Hospital, 2002
- American Heart Association Research Grant RX4350-605 (1996-1997)

PATENTS

U.S. Patent No. 10,813,643 Granted: Oct 27, 2020, Inventor: Dr. Ivica Ducic
Materials and Methods for Breast Neurotization with Nerve Grafts

PUBLICATIONS

The Effect of Nerve Surgery on Opioid and Medication Use in Patients with Chronic Pain due to Nerve Injuries
FESSH, Rotterdam, Netherland/Virtual, June 19, 2021

107. Buncke G, A Leis, P Evans, A Strohl, **I Ducic**
Innovations in Nerve That Transformed my Practice
ASSH, AxG Panel, San Francisco, October 1, 2021

108. Mackay B, J Greenberg, D Mercer, P Evans, **I Ducic**
Data in decision making: *the sensible, modern approach to nerve repair*
American Society for Peripheral Nerve, AxG Panel, Carlsbad, January 13, 2022

109. Casanas J, J Greenberg, B Safa, D Power, **I Ducic**
What you should know why I changed my approach to nerve repair
IFESSH, London, June 7, 2022

110. Styron J, I Valerio, J Isaacs, **I Ducic**
Late-Breaking, State-of-the-Art Nerve Reconstruction Data: The How and Why of Implementing this New Data into Your Clinical Practice
American Society for Surgery of the Hand, AxG Panel, Boston, September 30, 2022

111. Safa B, J Isaacs, K Eberlin, Y Marjoua, **I Ducic**
Dilemmas, Discoveries & Evolving Data in Modern Nerve Repair:
American Society for Peripheral Nerve, Miami, January 19, 2023

112. Casanas J, F Leversedge, J Styron, **I Ducic**
To Change or Not to Change: How Recent Scientific Evidence is Evolving the Peripheral Nerve Repair Landscape
FESSH AxG Panel, Rimini, May 12, 2023

113. Evans P, A Sthrol, B Smetana, **I Ducic**
Elevating the continuum of nerve care: Engaging surgeons, patients, therapists, and scientists
American Society for Surgery of the Hand, AxG Panel, Toronto, October 6, 2023

BOOK

Eberlin KR, I Ducic, A Moore, G. Dumanian, Paul Cederna, I Valerio
Contemporary Neuroma Management
Springer-Verlag, in press, 2024

BOOK CHAPTERS

1. Costa E, Puia G, Giusti P, Auta J, **Ducic I**, Vicini S and A Guidotti
Mechanistic and Pharmacological Implications in the Partial Allosteric Modulation of $GABA_A$ Receptors by Imidazenil.
In: *The Challenge of Neuropharmacology*, H. Möhler and M. DaPrada, 1994

2. Attinger CE, Neville R, **I Ducic**
Limb Salvage Efforts Overcome Renal Compromise.
Biomechanics, 45-68: 1999

3. Attinger CE, **Ducic I**, C Zelen
The Use of Local Muscle Flaps in Foot and Ankle Reconstruction.
Clinic in Podiatric Medicine and Surgery, 17: 681-711, 2000

4. Ducic I, H. Wilson, S. Spear
Circumvertical Breast Reduction With Superomedial Pedicle
Surgery Of The Breast: Principles And Art, 79: 1109-1118, 2006

5. Attinger CE, **Ducic I**, C Zelen
The Use of Local Muscle Flaps in Foot and Ankle Reconstruction.
Clinic in Podiatric Medicine and Surgery, 21: 209-224, 2006

6. Attinger CE, **I Ducic**
The Foot and Ankle Reconstruction
Grab and Smith, Plastic Surgery, 6th Edition, 689-707: 2007

7. **Ducic I**, Dellon AL, A Al-Altar
Reoperative Peripheral Nerve Surgery
Reoperative Aesthetic and Reconstructive Plastic Surgery, 1985-2008: 2007

8. **Ducic I**, J. Jackobson
Operative Techniques: Common Peroneal & Lateral Femoral Cutaneous Nerve
Operative Techniques in Orthopaedic Surgery, 55: 453-457, 2010

9. **Ducic I**, E. Larson
Management of Chronic Post-operative Breast Pain
Surgery of the Breast: Principles and Art, 3rd Edition, 81: 947-951, 2011

10. Attinger C, Clemens M, **Ducic I**, Unger EB, L Colen
The Role of Microsurgical Free Flaps in Foot and Ankle Surgery
Lower Extremity Soft Tissues & Cutaneous Plastic Surgery, 22: 249-268, 2012

11. Attinger C, Clemens M, **Ducic I**, Levin M, C Zelen
The Use of Local Muscle Flaps in Foot and Ankle Reconstruction
Lower Extremity Soft Tissues & Cutaneous Plastic Surgery, 23: 269-288, 2012

12. **Ducic I,** JM Felder
Complex Regional Pain Syndrome in the Upper Extremity
Plastic Surgery, 3rd Edition, 23:486-502, 2013

13. **Ducic I**
Kirurgija Perifernih Živaca
Osnove Palstične, Rekonstrukcijske i Estetske Kirurgije, 6:257-271, 2014

14. **Ducic I**
Surgical Management of Chronic Headaches
Nerve Surgery (McKinnon) – 1st Edition, 19: 1010-1028, 2015

15. **Ducic I,** JM Felder, A Lee Dellon
Diagnosis and Treatment of Painful Neuroma and Nerve Compression in the Lower Extremity
Plastic Surgery, 4rd Edition, 143-165, 2018

16. Gerferer L, **I Ducic**
Surgical Treatment of the Occipital Trigger Sites
The Surgical Treatment of Chronic Headaches and Migraines, 1st Edition – in press/2024

INSTRUCTIONAL COURSES:

1. Lab: Advanced Lower Extremity Peripheral Nerve Surgery Workshop
The Institute for Peripheral Nerve Surgery, Baltimore, July 14-17, 2002

2. Lab: Advanced Lower Extremity Peripheral Nerve Surgery Workshop
The Institute for Peripheral Nerve Surgery, Baltimore, August 1-3, 2002

3. IC: Non-operative and Operative Treatment for Brachial Plexus Injuries
American Society for Reconstructive Microsurgery & American Society for *Peripheral Nerve Surgery, Annual Meeting, Hawaii, January 2003*

4. IC: Lower Extremity Reconstruction - Simple Solutions
American Society for Reconstructive Microsurgery, Palm Springs, January 04

5. Lab: Local Flaps in Foot and Ankle Reconstruction
Foot & Ankle Institute of Virginia Annual Meeting, Virginia Beach, June 2004

6. IC: Neuroma Management: Trunk, Upper and Lower Extremities
American Society for Reconstructive Microsurgery, Tucson, January 2006

7. Lab: Advanced Lower Extremity Peripheral Nerve Surgery Workshop
The Institute for Peripheral Nerve Surgery, Baltimore, April 1-3, 2006

8. Lab: Advanced Lower Extremity Peripheral Nerve Surgery Workshop
The Institute for Peripheral Nerve Surgery, Baltimore, August 5-7, 2006

9. IC: Peripheral Nerve Surgery: Indications and Algorithms for the Treatment of Compression Peripheral Neuropathies, Post-operative or Post-traumatic Pain and Chronic (Migraine) Headaches
American Society of Plastic Surgeons, Baltimore, October 2007

10. IC: Peripheral Nerve Surgery: Indications and Algorithms for the Treatment of Compression Peripheral Neuropathies, Post-operative or Post-traumatic Pain and Chronic (Migraine) Headaches
Georgetown University Hospital, November 13, 2007

11. IC: Peripheral Nerve Surgery: Indications and Algorithms for the Treatment of Compression Peripheral Neuropathies, Post-operative or Post-traumatic Pain and Chronic (Migraine) Headaches
Georgetown University Hospital, November 27, 2007

12. IC: Nerve Surgery: Management of Peripheral Nerve Compression Syndromes Chronic Post-Operative Pain, Nerve Injuries and Chronic Headaches
American Society of Plastic Surgeons, Seattle, October 2009

13. IC: Surgical Treatment of Chronic (Migraine) Headaches
American Society for Peripheral Nerve, Maui, January 2009

14. IC: Nerve Surgery: Management of Peripheral Nerve Compression Syndromes Chronic Post-Operative Pain, Nerve Injuries and Chronic Headaches
American Society of Plastic Surgeons, Toronto, October 2010

15. *Live Surgery:* Lower Extremity Nerve Decompressions
Diabetic Limb Salvage, Washington, October 2010

16. *IC:* Surgical Treatment of Chronic Migraine headaches
Georgetown Community Lecture, Washington, November 2010

17. *IC:* Lower Extremity Nerve Decompression in Diabetic Patient
American Society for Peripheral Nerve, Cancun, January 2011

18. IC (MOC-PS): Peripheral Nerve Surgery: Carpal Tunnel, Cubital Tunnel, and Management of Chronic Pain and Migraine/Headaches
American Society of Plastic Surgeons, Denver, September 26, 2011

19. Lab: Reconstructive Options for Peripheral Nerve Repair: Workshop
Cleveland Clinic Microsurgery Lab, Cleveland, September 29, 2011

20. Lab Reconstruction Options for Peripheral Nerve Repair: Workshop
Curtis Hand Center Lab & AxoGen, Baltimore, November 7, 2011

21. IC: Controversies in Management of Complex Regional Pain Syndromes: Surgery vs. Non-Operative Treatment Options
American Society for Peripheral Nerve, Las Vegas, January 2012

22. Lab: Reconstructive Options for Peripheral Nerve Repair: Workshop
Hartford Hand Group & AxoGen, Hartford, May 10, 2012

23. *IC:* Nerve Reconstruction: Approach to Bridging the Gap for Nerve Repair
World Society for Reconstructive Microsurgery, Chicago, July 14, 2013

24. IC: Peripheral Nerve Surgery: Carpal Tunnel and Cubital Tunnel
American Society of Plastic Surgeons, San Diego, October 14, 2013

25. IC: Nerve Reconstruction: Approach to Bridging the Gap and End to Side Nerve Repair
World Society for Reconstructive Microsurgery, Chicago, July 14, 2013

26. IC: Peripheral Nerve Surgery: Treatment of Carpal Tunnel, Cubital Tunnel, Chronic Pain, Neuralgia, Headaches & Migraines
American Society of Plastic Surgeons, San Diego, October 14, 2013

27. IC: Peripheral Nerve Surgery: Carpal Tunnel and Cubital Tunnel
American Society of Plastic Surgeons, Chicago, October 13, 2014

28. Lab: Techniques for Management of Oral and Dental Surgery Injuries
Oral-Maxillo-Facial AxG Meeting, Dallas, November 8, 2014

29. *IC:* Chronic Pain Syndromes
American Society for Peripheral Nerve, Bahamas, January 25, 2015

30. Lab: Foot and Ankle Nerve Injuries & Reconstructive Options
Foot & Ankle AxG Nerve Workshop, Chicago, July 31, 2015

31. Lab: Upper Extremity Nerve Injuries & Reconstructive Options
University of California, UE AxG Nerve Workshop, San Diego, Aug 6, 2015

32. Lab: Upper Extremity Nerve Injuries & Reconstructive Options
UE AxG Nerve Workshop, Chicago, October 24, 2015

33. Lab: Dental and Oral Surgery Nerve Injuries: Treatment Options
OMF AxG Workshop, Atlanta, November 6, 2015

34. Lab: Upper Extremity Nerve Injuries & Reconstructive Options
Hand Surgery Fellows AxG Form, University of Pennsylvania, Phil., Nov 13, 2015

35. IC: Carpal Tunnel Syndrome: Indications for Non-Operative Treatment: Evidence for Surgical Procedures and Postoperative Care
American Society for Peripheral Nerve, Scottsdale, January 16, 2016

36. *Lab:* State-of-the-Art Nerve Repair: A Hands-On Experience for Residents & Fellows
American Association for Hand Surgery, Scottsdale, January 14, 2016

37. Lab: Peripheral Nerve Repair in Your Practice
AxG Advances in Upper Extremity Nerve Surgery, Orlando, February 28, 2016

38. Peripheral Nerve Repair in Your Practice
AxG Lab Module: Advances in Nerve Surgery, Las Vegas, March 19, 2016

39. Lab: Advanced Techniques for Nerve Repair
AxG Anatomy Lab, University of Lausanne, Switzerland, May 6, 2016

40. IC: Comprehensive Evaluation and Treatment of Upper Extremity Compression Neuropathies
American Society of Plastic Surgeons, Los Angeles, September 24, 2016

41. IC: Management of Chronic Pain due to Post-Traumatic and Post-Operative Neuromas
American Society for Peripheral Nerve, Kona, HI, January 14, 2017

42. Lab: Application of New Techniques and Technologies for Nerve Repair
AxG Anatomy Lab, University of Lausanne, Switzerland, May 5, 2017

43. Lab: Advanced Surgical Techniques for Traumatic Nerve Injuries
AxG Nerve Surgery Symposium & Workshop, Denver, July 29, 2017

44. Lab: Upper Extremity Surgical Techniques for Nerve Repair
AxG Best Nerve Practices, Boston, September 23, 2017

45. IC: Comprehensive Evaluation and Treatment of Compression Neuropathies
American Society of Plastic Surgeons, Orlando, October 9, 2017

46. Lab: Breast Neurotization: New Technique Aim to Minimize Complications
Breast Reconstruction, Alicante, Spain, October 20, 2017

47. Lab: Advanced Surgical Techniques for Upper Extremity Nerve Injuries
AxG Best Nerve Practices, San Francisco, November 3, 2017

48. Lab: Advanced Surgical Techniques for Upper Extremity Nerve Injuries
AxG Best Nerve Practices, Indianapolis, November 10, 2017

49. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Best Nerve Practices, Pittsburgh, December 9, 2017

50. IC: Surgical Management of Chronic Headaches, Migraines & Neuralgia Pain
American Society for Peripheral Nerve, Phoenix, January 13, 2018

51. Lab: Dental and Oral Surgery Nerve Injuries
OMF AxG Workshop, Orlando, February 10, 2018

52. Lab: Technique and Reconstructive Options for Nerve Injuries
AxG Best Nerve Practices, San Francisco, February 17, 2018

53. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Best Nerve Practices, New York, February 24, 2018

54. *Live Surgery:* Breast Neurotization for Restoration of Breast Sensibility in Breast Cancer Patients who had Mastectomy & Breast Reconstruction
Barcelona Breast Meeting, Barcelona, March 8, 2018

55. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Best Nerve Practices, Las Vegas, April 7, 2018

56. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Best Nerve Practices, Chicago, April 14, 2018

57. Lab: Surgical Techniques for Lower Extremity Nerve Injuries
Midwest Podiatry Conference, Chicago, April 20, 2018

58. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Best Nerve Practices, New York, May 6, 2018

59. Lab: Advanced Surgical Techniques for Nerve Repair
AxG International Nerve Course, Vienna, Austria, May 12, 2018

60. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Best Nerve Practices, Miami, May 19, 2018

61. Lab: Nerve Repair for Nerve Injuries after Oral and Dental Procedures
Righospitalet, Copenhagen, Denmark, June 13, 2018

62. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Best Nerve Practices, New York, August 25, 2018

63. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Fellows Course, Philadelphia, September 22, 2018

64. IC: Carpal Tunnel Surgery: Evidence Review & Management of Median Nerve Injuries
American Society of Plastic Surgery, Chicago, September 29, 2018

65. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Advanced Nerve Course, Chicago, October 21, 2018

66. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Advanced Nerve Course, San Diego, November 3, 2018

67. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Boston Nerve Fellows Course, Boston, November 17, 2018

68. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Miami Advanced Nerve Course, Miami, December 2, 2018

69. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Fellows Nerve Course, Fort Lauderdale, February 17, 2019

70. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Trauma Nerve Course, Orlando, February 23, 2019

71. Lab: Advanced Surgical Techniques for Nerve Repair
AxG UE Nerve Course, Chicago, April 26, 2019

72. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Breast Re-Sensation Course, Nashville, May 18, 2019

73. Lab: Advanced Surgical Techniques for Nerve Repair
AxG UE Nerve Course, Phoenix, May 31, 2019

74. Webinar: Surgical Treatment of Neuroma
DocMatter Webcast: July 14, 2019

75. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Advanced Nerve Course, Baltimore, September 29, 2019

76. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Nerve Fellows Course, Pittsburgh, October 13, 2019

77. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Advanced Nerve Course, San Francisco, November 8, 2019

78. Lab: Advanced Surgical Techniques for Nerve Repair
AxG International Nerve Course, Vienna, Austria, November 15, 2019

79. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Mixed & Motor Nerve Course, New Orleans, February 9, 2020

80. Lab: Advanced Surgical Techniques for Nerve Repair
AxG H&N/OMF Advanced Nerve Course, Chicago, March 7, 2020

81. Lab: Advanced Surgical Techniques for Nerve Repair
AxG SLU Plastic Surgery Nerve Course, St Louis, March 6, 2021

82. Lab: Advanced Surgical Techniques for Nerve Repair
AxG MD-Anderson/Baylor/Methodist Nerve Course, Houston, Apr 10, 2021

83. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Fellows Nerve Course, San Francisco, Sept 11, 2021

84. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Fellows Nerve Course, Philadelphia, Sept 18, 2021

85. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Fellows Nerve Course, Boston, Nov 14, 2021

86. Lab: Advanced Surgical Techniques for Nerve Repair
Kleinert-Kurtz Hand Center Nerve Course, Louisville, Nov 20, 2021

87. Lab: Advanced Surgical Techniques for Nerve Repair
AxG Advanced Nerve Course, Nashville, Dec 3, 2021

88) Lab: Advanced Surgical Techniques for Nerve Repair
AxG Fellows Course, Denver, February 18, 2022

89) Lab: Advanced Surgical Techniques for Nerve Repair
AxG Fellows Course, Los Angeles, March 12, 2022

90) Lab: Advanced Surgical Techniques for Nerve Repair
AxG Advanced Course, New York, April 2, 2022

91) Lab: Advanced Surgical Techniques for Nerve Repair
AxG Fellows & Indiana Hand Course, Indianapolis, October 22, 2022

92) Lab: Advanced Surgical Techniques for Nerve Repair
AxG Fellows Course, San Francisco, November 19, 2022

93) Lab: Advanced Surgical Techniques for Nerve Repair
AxG Advanced Course, Austin, December 3, 2022

94) Lab: Upper Extremity Nerve Repairs
SECMA Spanish Hand Society Meeting, Granada, April 18, 2023

95) Lab: Advanced Surgical Techniques for Nerve Repair
AxG International Nerve Course, Vienna, Austria, June 3, 2023

96) Lab: Advanced Surgical Techniques for Nerve Repair
AxG Advanced Nerve Practice Course, New Orleans, September 9, 2023

97) Lab: Advanced Surgical Techniques for Nerve Repair
AxG Fellows Nerve Course, Indianapolis, September 22, 2023

98) Lab: Advanced Surgical Techniques for Nerve Repair
AxG Breast Neurotization Course, Nashville, September 30, 2023

99) Lab: Advanced Surgical Techniques for Nerve Repair
AxG Fellows Nerve Course, San Francisco, October 21, 2023

American Society for Reconstructive Microsurgery, Puerto Rico, January 05

18) "Algorithm for Management of Foot and Ankle Neuropathy and Nerve Problems"
Podiatry Institute Annual Meeting, Newport, RI, April 20, 2005

19) "Treatment of Difficult Peripheral Nerve Problems"
Washington Hospital Center, Neurosurgery Grand Rounds, December 1, 2005

20) "New Advances in Surgical Treatment of Patients with Peripheral Nerve Problems"
Washington Hospital Center, Neurology Grand Rounds, February 9, 2006

21) "Indications for Surgical Treatment for Patients with Peripheral Nerve Problems"
The Neurology Center Grand Rounds, March 22, 2006

22) "Algorithm for Management of Patients with Peripheral Nerve Problems"
Frederick Memorial Hospital, May 5, 2006.

23) "Peripheral Nerve Surgery Role in the Treatment of Patients with Chronic Headaches"
Georgetown University Otolaryngology Grand Rounds, May 11, 2006

24) "Treatment of Chronic Groin Pain and Migraine Headaches: New Concepts"
Association of Extremity Nerve Surgeons, Santa Fe, October 2006

25) "Peripheral Nerve Surgery: Indications and Limitations
Shah's Medical Group, Maryland, December 1, 2006

26) "Current Issues in Treatment of Nerve Problems in Foot and Ankle"
Podiatry Grand Rounds, Fairfax Hospital, January 31, 2007

27) "Surgical Indication for Treatment for Patients with Peripheral Nerve Problems"
Washington Adventist Hospital, Med-Surg Grand Rounds, February 2, 2007

28) "Advances in Peripheral Nerve Surgery: Role of Physical Therapy"
Georgetown University Physical Therapy Grand Rounds, April 11, 2007

29) "Surgical Treatment Algorithms for Patients with Peripheral Nerve Problems"
Potomac Hospital, Med-Surg Grand Rounds, February 7, 2007

30) "Surgical Treatment of Neuropathy and Complex Peripheral Nerve Injuries
Pain Management Meeting, Washington Hospital Center, April 19, 2007

31) "Prevention and Management of Peripheral Nerve Injuries in Orthopedic Patient"
Virginia Hospital Center, Orthopedics Grand Rounds, May 2, 2007

32) "Indications and Timing for Surgical Treatment of Patients with Neuropathy"
Georgetown University Medicine Grand Rounds, May 24, 2007

33) "Peripheral Nerve Injuries: Danger Zones and Treatment Options"
World Society for Reconstructive Microsurgery, Athens, June 2007

34) "Surgical Treatment of Diabetic Peripheral Neuropathy: Controversy or Cure?"
Diabetic Limb Salvage Conference, Washington, September 2007

35) "My Experience with Treatment of Migraine Headaches"
2nd Annual Surgical Treatment of Migraine Headaches, Cleveland, October 2007

36). "Peripheral Nerve Surgery: Indications for Treatment of Patients with Peripheral Nerve Tumors, Post-operative Groin Pain and Chronic Headache"
Association of Extremity Nerve Surgeons, Washington, October 2007

37) "Double Crush Theory: What Patients Should You Be Sending For Nerve Decompression?"
Diabetic Limb Salvage Conference, Washington, September 2008

38) a) "Surgical Treatment of Occipital Neuritis"
b) "My Experience with Treatment of Migraine Headaches"
3rd Annual Surgical Treatment of Migraine Headaches, Cleveland, October 2008

39) "Management of Peripheral Nerve Injuries"
Georgetown University Emergency Department Grand Rounds, November 2008

40) "Surgical Treatment Options for Management of Chronic Headaches"
Georgetown University Neurology & Neurosurgery Grand Rounds, February 2009

41) "Neuropathy & Peripheral Nerve Injuries: Timing and Type of Surgical Treatments"
Potomac Hospital, Med-Surg Grand Rounds, February 25, 2009

42) "Advances in Management of Complex Wounds: Limb Salvage vs Amputation"
Wound Care and HBO Update 2009, Ohio State University, April 4, 2009

43) "Surgical Treatment of Neuropathy and its Role in Wound Care"
Wound Care and HBO Update 2009, Ohio State University, April 4, 2009

44) "Chronic Headaches Following Acoustic Neuroma Surgery: Treatment Options"
Acoustic Neuroma Association - Washington Chapter, Washington DC, May 9, 2009

45) "Innervation of the Abdominal Wall: Consequences of Denervation and Nerve Injuries
Abdominal Wall Reconstruction Conference, Washington, June 2009

46) "Surgical Management of Neuropathy: Deciphering Fact from Emotion and Theory
Diabetic Limb Salvage Conference, Washington, September 2009

47) "Surgical Management of Chronic Breast and Trunk Pain
American Society of Plastic Surgeons, Seattle, October 24, 2009

48) "Medico-legal Aspects of Neuropathy & Nerve Injuries in Foot and Ankle Surgery"
Superbones Conference, Bahamas, January 16, 2010

49) "Foot and Ankle Neuropathy and Nerve Injuries: Best Treatment Options"
Fairfax Podiatry Grand Round, Fairfax, January 18, 2010

50) "Peripheral Nerve Surgery Applications for Patients with Neuropathy & Nerve Injuries"
Prince William Hospital, January 28, 2010

51) "Surgical Treatment Options for Pediatric and Adolescent Patients with Nerve Injuries, Neuropathy or Chronic/Migraine Headache"
Pediatric Grand Rounds, Georgetown University Hospital, February 12, 2010

52) "Surgical Treatment Options for Pediatric and Adolescent Patients with Nerve Injuries, Neuropathy or Chronic/Migraine Headache"
Pediatric Grand Rounds, Virginal Hospital Center, Arlington, March 2, 2010

53) "Interdisciplinary Approach to Patients With Nerve Injuries: The Role of Peripheral Nerve Surgeon and Anesthesia Specialists"
Anesthesia Grand Rounds, Georgetown University Hospital, March 18, 2010

54) "Surgical Management of Chronic Post-operative Pain and Peripheral Nerve Entrapments
Surgery Grand Rounds, Washington Hospital Center, May 25, 2010

55) "Surgical Management of Chronic Post-operative Pain and Peripheral Nerve Entrapments

209) a) "Nerve Injuries: Variables Affecting Nerve Repair Outcomes"
b) "Surgical Treatment of Chronic Post-Operative/Traumatic Pain"
AxG Advanced Nerve Course, Miami, December 1, 2018

210) "Management of Complex Peripheral Nerve Problems: Why Biomaterials Matter to Surgeons and Patients"
American Association of Hand Surgeons, Palm Springs, January 31, 2019

211) "Comprehensive Surgical Care of Patients with Nerve Injuries & Chronic Pain"
Dept of Plastic Surgery, Memorial Sloan Kettering Cancer Center, Feb 11, 2019

212) a) "Nerve Injuries: Evidence-based Treatment Algorithm"
b) "Surgical Treatment of Chronic Post-Operative/Traumatic Pain"
AxG Fellows Nerve Course, Fort Lauderdale, February 16, 2019

213) a) "Nerve Injuries: Variables Affecting Nerve Repair Outcomes"
b) "Surgical Treatment of Chronic Post-Operative/Traumatic Pain"
AxG Trauma Nerve Course, Orlando, February 22, 2019

214) "Mixed-Motor Nerve Injuries: Treatment Options for Nerve Repair"
European Nerve Advisory Meeting, Vienna, Austria, February 28, 2019

215) "Two Decades of Progress in the Treatment of Nerve Injuries: What we Learned?
American Association of Plastic Surgeons, Baltimore. April 6, 2019

216) "The Use of Biomaterials in Nerve Surgery"
International Symposium on Nerve Reconstruction, Paris, France, April 12, 2019

217) a) "Nerve Injuries: Variables Affecting Repair Outcomes"
b) "Surgical Treatment of Chronic Post-Operative/Traumatic Pain"
AxG UE Nerve Course, Chicago, April 26, 2019

218) a) "The Principles of Nerve Surgery for Breast Surgeons"
b) "Surgical Management of Chronic Breast Pain"
AxG Breast Re-Sensation Course, Nashville, May 18, 2019

219) a) "Nerve Repair Options for Upper Extremity Nerve Injuries"
b) "Surgical Management of Chronic Post-Operative or Post-Traumatic Pain"
AxG UE Nerve Course, Phoenix, May 31, 2019

220) "Surgical Management of Chronic Post-Operative Breast Pain"
World Society for Reconstructive Microsurgery, Bologna, Italy, June 13, 2019

221) "Outcomes & Safety of Surgical Management of Chronic Migraines/Headaches/Neuralgia"
World Society for Reconstructive Microsurgery, Bologna, Italy, June 15, 2019

222) "Evidence-Based Treatment of Nerve Injuries Aim to Improve Patient Outcomes"
IFESSH, Berlin, Germany, June 17, 2019

223) "Processed Nerve Allograft for Sensory, Mixed and Motor Nerve Injuries"
IFESSH, Berlin, Germany, June 20, 2019

224) "Comprehensive Surgical Care of Patients with Nerve Injuries & Chronic Pain"
Dept. of Plastic Surgery, University of Massachusetts, Boston, July 10, 2019

225) "Surgical Management of Nerve Injuries Following Head & Neck Surgery"
Dept. of Oral, Maxillo-Facial Surgery, University of Tennessee, July 31, 2019

226) a) "New Technologies in Nerve Surgery: What Works & What Doesn't"
b) "Breast Neurotization: Benefits for Restoring Sensation for Breast Cancer Survivors"
Croatian Plastic Surgery Society Adriatic Club, Copenhagen, August 26, 2019

227) "Treatment of Neuroma with Nerve Grafting and Other Techniques"
American Society for Plastic Surgeons, San Diego, September 20, 2019

228) a) "Nerve Injuries: Evidence-Based Treatment Algorithms"
b) "The economic impact of nerve injuries and role of nerve allograft for nerve repair"
AxG UE Nerve Course, Baltimore, September 28, 2019

229) "Surgical Management of Nerve Injuries Following Head & Neck Surgery"
Dept. of Plastic Surgery, Univ. of Alabama, Birmingham, September 30, 2019

230) a) "Nerve Injuries: Evidence-Based Treatment Algorithms"
b) "Surgical Management of Pain"
AxG UE Nerve Course, Pittsburgh, October 12, 2019

231) a) "Treatment of Nerve Injuries: What Matters"
b) "Surgical Management of Neuroma"
AxG UE Nerve Course, Atlanta, October 19, 2019

232) a) "Nerve Injuries: Evidence-Based Treatment Options"
b) "Surgical Management of Pain: Indications & Options"
Fellows Nerve Course, Boston, October 26, 2019

233) a) "Applications of Nerve Surgery for Breast Surgeons"
b) "Surgical Management of Chronic Breast Pain"
AxG Breast Course, Dallas, November 2, 2019

234) a) "Treatment of Nerve Injuries: Ways to Improve Outcomes"
b) "Surgical Management of Pain: Indications & Options"
Fellows Nerve Course, San Francisco, November 8, 2019

235) a) "Treatment of Nerve Injuries: Ways to Improve Outcomes"
b) "Surgical Management of Pain: Indications & Options"
Comprehensive Nerve Surgery Course, Vienna/Austria, November 15, 2019

236) a) "Applications of New Technologies in Management of Nerve Injuries"
b) "Breast Neurotization: New Options for Reconstructive Breast Surgeons"
German Microsurgery Society, Munich/Germany, November 22, 2019

237) a) "Nerve Injuries: Ways to Improve Outcomes"
b) "Applications of New Technologies in the Management of Nerve Injuries"
c) "Surgical Management of Pain: Indications & Treatment Options"
Spanish Hand Society, Oporto/Portugal, December 6, 2019

238) Comprehensive Management of Headaches: The Role of Interdisciplinary Care
American Society for Peripheral Nerve, Fort Lauderdale, January 9, 2020

239) Technological Progress & Management of Nerve Injuries
Medical Device Group, Boston, February 5, 2020

240) a) "Evidence-Based Nerve Injury Treatment Options"
b) "Minimizing or Eliminating Autograft Morbidity"
AxG Mixed & Motor Nerve Course, New Orleans, February 8, 2020

241) H&N/OMF Nerve Injuries and Repair Options
AxG H&N/OMF Advanced Nerve Course, Chicago, March 7, 2020

242) Nerve Injuries: Evidence-Based Treatment Options
Korean Surgical Society for Nerve Surgery, Seoul/Virtual, August 22, 2020

243) Boost your Nerve IQ on Nerve Injuries & Treatment
DocMatter, Webinar//Virtual), August 24, 2020

244) Surgical Approaches for Common Nerve Interventions
ASSH Pre-Meeting Webinar, San Antonio/Virtual, September 30, 2020

245) Surgical Treatment Options for Neuroma Management
American Society for Plastic Surgeons, San Francisco/Virtual, October 17, 2020

246) Nerve Injuries & Breast Surgery: From Pain to Sensory Gain
Washington University, St Louis, November 7, 2020

247) Nerve Injuries: Evidence-Based Treatment Options
Kleinert Institute for Hand Surgery/Microsurgery, Louisville/Virtual, Nov 13, 2020

248) Surgical Management of Chronic Pain due to Nerve Injuries
Kleinert Institute for Hand Surgery/Microsurgery, Louisville/Virtual, Nov 14, 2020

249) Advanced Treatment Options for Nerve Injuries
University of Miami, Plastic Surgery Grand Rounds, Miami/Virtual, Nov 19, 2020

250) Reconstructive Treatment Options for Nerve Injuries
Armenian Plastic Surgery, Armenia/Virtual, Dec 17, 2020

251) Recent evidence in nerve surgery and their applications in clinical practice
American Association for Hand Surgery, Hawaii/Virtual, Jan 17, 2021

252) Surgical Management of Chronic Pain due to Nerve Injuries
Mayo Fellows Nerve Course, Rochester/Virtual, Mar 6, 2021

253) Nerve Injuries: Evidence-Based Treatment Options
AxG MD Anderson/Methodist Nerve Course, Houston, April 10, 2021

254) Management of Painful Neuroma
FESSH, Rotterdam, Netherland/Virtual, June 18, 2021

255) a) "Evidence-Based Nerve Injury Treatment Options"
b) "Surgical Management of Chronic Pain due to Nerve Injuries"
AxG Fellows Course, San Francisco, September 11, 2021

256) a) "Evidence-Based Nerve Injury Treatment Options"
b) "Surgical Management of Chronic Pain"
AxG Fellows Course, Philadelphia, September 19, 2021

257) a) “Evidence-Based Nerve Injury Treatment Options”
b) “Surgical Management of Chronic Pain due to Nerve Injuries”
AxG Fellows Course, Boston, Nov 13, 2021

258) Advanced Treatment Options for Acute and Chronic Nerve Injuries
Kleinert-Kurtz Hand Center, Louisville, November 19, 2021

259) a) “Evidence-Based Nerve Injury Treatment Options”
b) “Surgical Management of Chronic Pain due to Nerve Injuries”
AxG Advanced Nerve Course, Nashville, December 4, 2021

260) Understanding Nerve Injuries: Current Treatments & Future Perspectives
Department of Neurosurgery, University of Kentucky, Louisville, December 16, 2021

261) Data in Decision Making: The sensible, modern approach to nerve repair
AAHS-ASPN AxG Panel; Carlsbad, January 13, 2022

262) Variables Impacting Nerve Surgery Outcomes
AxG Fellows Course, Denver, February 18, 2022

263) Surgical Management of Nerve Injuries
AxG Fellows Course, Los Angeles, March 12, 2022

264) Surgical Management of Chronic Pian due to Nerve Injuries
AxG Advanced Course, New York, April 2, 2022

265) Evidence-Based Nerve Surgery: What Really Matters?
AxG Fellows Course, Atlanta, April 29, 2022

266) Breast Neurotization Impacts Patient Quality of Life
Croatian Society of Plastic Surgery, Dubrovnik, Croatia, May 6, 2022

267) Evidence-Based Treatment Options for Nerve Injuries
Orthopedic LE Summit, Greenbrier, VA, June 4, 2022

268) What You Should Know About Why I Changed My Approach to Nerve Repair
IFSSH, London, June 7, 2022

269) Treatment Options for Nerve Injuries in Oral Surgery and H&N ENT Practices
Fresno OMF & ENT AxG Grand Rounds, Fresno, August 17, 2022

270) Evidence-Based Nerve Surgery: How far did we come?
Advanced AxG UE Course, Chicago, August 18, 2022

271) Treatment Options for Nerve Injuries in Oral Surgery and H&N ENT Practices
Univ. of Louisville Hospital, Louisville, September 24, 2022

272) Upper Extremity Nerve Injuries and Treatment Options
AxG Fellows and Indiana Hand Course, Indianapolis, October 22, 2022

273) Nerve Injuries and Treatment Options for Trauma Patients
John Peter Smith Ortho Grand Rounds, Fort Worth, October 26, 2022

274) Advanced Treatment Options for Nerve Surgery: What Really Matters?
Association of Extremity Nerve Surgeons, Fort Worth, November 5, 2022

275) Treatment Options for Lower Extremity Neuropathy & Nerve Injuries
Asan Med. Ctr. Lower Extremity Workshop, Seoul, November 8, 2022

276) Optimizing Nerve Injury Treatments and Patient Outcomes
Korean Society of Plastic Surgery, Seoul, November 11, 2022

277) *Surgical Options for Nerve Injuries & Deficits Following Reconstructive Breast Surgery*
Korean Society of Plastic Surgery, Seoul, November 12, 2022

278) Evidence-Based Nerve Surgery: What Really Matters?
AxG Fellows Course, San Francisco, November 19, 2022

279) Surgical Management of Nerve Injuries: Optimizing Patient Outcomes
AxG Fellows Course, Austin, December 3, 2022

280) Breast Neurotization to Improve Patient QOL Following Reconstructive Breast Surgery
Washington University Breast Symposium, St Louis, December 10, 2022

281) Surgical Management of Meralgia Paresthetica and Lower Extremity Nerve Injuries
Utrecht LE Nerve Symposium, University of Utrecht, Netherland, April 14, 2023

282) Surgical Management of Upper Extremity Nerve Injuries
SECMA Spanish Hand Society Meeting, Granada, April 18, 2023

283) Nerve Injuries & Breast Surgery: From Pain to Sensory Gain
AxG Advanced Breast Course, Dallas, April 22, 2023

284) Evidence-Based Nerve Surgery
AxG International Nerve Course, Vienna, Austria, June 2, 2023

285) Advances in Nerve Surgery
Kansas Plastic Surgery Society, Kansas City, July 6, 2023

286) Surgical Management of Chronic Pain due to Nerve Injuries
Clinical Orthopedic Surgery Meeting, New Orleans, September 7, 2023

287) Evidence-Based Nerve Surgery
AxG Advanced Nerve Practice Course, New Orleans, September 8, 2023

288) Surgical Management of Chronic Pain due to Nerve Injuries
AxG Fellows Nerve Course, Indianapolis, September 23, 2023

289) Breast Neurotization and Chronic Post-Surgical Pain Management
AxG Advanced Breast Course, Nashville, September 30, 2023

290) Managing Patient's Expectations
ASPS & MSS Migraine Surgery Symposium Webinar, October 14, 2023

291) The value of nerve surgery for chronic post-traumatic/operative nerve injuries/pain
Worker's Compensation Conference, Richmond, October 19, 2023

292) Evidence-Based Nerve Surgery
AxG Fellows Nerve Course, San Francisco, October 23, 2023

293) Surgical Management of Chronic Nerve Injuries
AxG Fellows Nerve Course, Boston, November 4, 2023

294) New Concepts in Surgical Management of Lower Extremity Nerve Injuries
Association of Extremity Nerve Surgeons/AENS, Fort Worth, November 11, 2023

295) Academic and Industry Co-Existence: What Went Wrong?
American Society for Reconstructive Microsurgery, Bahamas, Jan 15, 2024

296) Breast Neurotization: Economics of Nerve Repair
AxG Advanced Breast Course, Dallas, March 3, 2024

297) Evidence-Based Principles of Managing Nerve Injuries
AxG Fellows Nerve Course, Boston, March 23, 2024

298) Surgical Management of Chronic Nerve Injuries
Utrecht Nerve Course, Utrecht, Netherland, April 11, 2024

299) Advanced Treatment Options for Chronic Nerve Injuries
Spanish Hand Society, Sitges, Spain, April 25, 2024

300) Clinical Role of Biomaterials in the Management of Nerve Injuries
European Microsurgery Society, Milan, Italy, May 9, 2024

301) Nerve Surgery: Defining What Matters…
Georgetown University Department of Plastic Surgery, Washington, May 16, 2024

302) Controversies and Challenges in Nerve Surgery
American Society for Surgery of the Hand, Minneapolis, Sept 19, 2024

303) Advancing Patient Outcomes in Hand Surgery
American Association of Hand Surgeons Panel, Hawaii, Jan 16, 2025

304) Surgical Management of Upper and Lower Extremity Nerve Injuries
Utrecht Nerve Course, Utrecht, Netherland, April 11, 2025

305) How to Optimize Nerve surgery Outcome
Spanish Hand Society, Palma de Mallorca, Spain, April 23, 2025

306) Challenges and Impact of Nerve Surgeons Treating Nerve Injuries
World Society for Reconstructive Microsurgery, Barcelona, April 25, 2025

307) From Highly Specialized Nerve Surgeon to Chief Medical Officer at Axogen
American Society for Reconstructive Microsurgery, Barcelona, April 25, 2025

308) Academic and Industry Co-Existence: What Went Wrong?
American Society for Reconstructive Microsurgery, Barcelona, April 26, 2025

309) Nerve Repair with Allograft, worth it?
German Microsurgery Society (DAM), Vienna, Austria, November 12, 2025

310) Breast Neurotization Aiming to Restore Sensation in Post-Mastectomy Patients
Danish Breast Surgery Workshop, Aarhus, Denmark, November 21, 2025

311) The Art and Science of The Decision Making in Nerve Surgery
American Association of Hand Surgery, Chula Vista, January 15, 2026

312) Multidisciplinary Strategies for Persistent Nerve Pain Following Reconstruction
American Society for Peripheral Nerve, Chula Vista, January 16, 2026

313) Advancing Nerve Reconstruction Following Oncologic Surgery
American Society for Reconstructive Microsurgery, Chula Vista, Jan 17, 2026

314) Adoption Challenges of the Nerve Surgery for Diabetics
American Society for Reconstructive Microsurgery, Chula Vista, Jan 18, 2026

315) Plantar Reconstruction: Nerve Surgery Interventions
American Society for Reconstructive Microsurgery, Chula Vista, Jan 20, 2026

316) Neuropathic Pain after Hip Surgery: Surgical Solutions
Pain2026, Summit on Surgery for Neuropathic Pain, Madrid, March 19, 2026

317) Surgical Management of Occipital and Fronto-Temporal Neuralgia
Pain2026, Summit on Surgery for Neuropathic Pain, Madrid, March 20, 2026

318) The Future of Nerve Surgery
Pain2026, Summit on Surgery for Neuropathic Pain, Madrid, March 20, 2026

319) Approach to Neuropathic Pain in Hand Surgery
FESSH, Basel, June 4, 2026

320) Innovative Techniques in Nerve Surgery
New Zealand Association of Plastic Surgeons, Christchurch, August 21, 2026

321 Surgical Management of Chronic Pain due to Nerve Injuries
New Zealand Association of Plastic Surgeons, Christchurch, August 21, 2026

322 Breast Neurotization and Surgical Management of Post-Mastectomy Chronic Breast Pain
Danish Society of Breast Surgery, Odense, Denmark, September 26, 2026

323 Surgical Management of Chronic Pain due to Nerve Injuries
New Zealand Hans Society Meeting, Wellington, October 17, 2026

324 Improving Patient Outcomes: From Nerve Decompression to Nerve Reconstruction
New Zealand Hans Society Meeting, Wellington, October 17, 2026

325 Surgical Management of Chronic Pain due to Nerve Injuries.
British Society Surgery of the Hand, Edinburgh, November 5, 2026

326 Surgical Management of Chronic Pain due to Nerve Injuries.
Barcelona Nerve Course, Barcelona, November 19, 2026
